### Thriller (Lyrics)

( \_\_\_\_\_ )

#### Chorus

'Cause this is thriller, thriller night  
And no one's gonna save you from the  
beast about to strike  
You know it's thriller, thriller night  
You're fighting for your life inside a  
killer,  
thriller tonight  
That it's a thriller, thriller night  
'Cause I can thrill you more than any  
ghost would dare to try  
Girl, this is thriller, thriller night  
So let me hold you tight and share a  
killer, diller, chiller,  
Thriller here tonight  
Not in the video) *Night creatures callin'*  
*The dead start to walk in their masquerade*  
*There's no escaping the jaws of the alien this time*  
*(They're open wide)*  
*This is the end of your life*

( \_\_\_\_\_ )

It's close to midnight and something  
evil's lurking in the dark  
Under the moonlight you see a sight  
that almost stops your heart  
You try to scream but terror takes the  
sound before you make it  
You start to freeze as horror looks you  
right between the eyes,  
You're paralyzed

( \_\_\_\_\_ )

You hear the door slam and realize  
there's nowhere left to run  
You feel the cold hand and wonder if  
you'll ever see the sun  
You close your eyes and hope that this  
is just imagination  
But all the while you hear the creature  
creepin' up behind  
You're out of time

Darkness falls across the land  
The midnite hour is close at hand  
Creatures crawl in search of blood  
To terrorize y'awl's neighborhood  
And whosoever shall be found  
Without the soul for getting down.

Must stand and face the hounds of hell  
And rot inside a corpse's shell

( \_\_\_\_\_ )

The foulest stench is in the air  
The funk of forty thousand years  
And grizzly ghouls from every tomb  
Are closing in to seal your doom  
And though you fight to stay alive  
Your body starts to shiver  
For no mere mortal can resist  
The evil of the thriller

( \_\_\_\_\_ )

( \_\_\_\_\_ )

They're out to get you, there's demons  
closing in on every side  
They will possess you unless you  
change the number on your dial  
Now is the time for you and I to cuddle  
Close together  
All thru the night I'll save you from the  
terrors on the screen,  
I'll make you see
